About This Game

Space is a dangerous place for even the most seasoned starship pilot, full of asteroids, multicolored floating blocks, space mines, and sweet sweet coins. Space is even more dangerous when your accelerator is stuck to the floor and your brakes are out. Navigate wave after wave in this 2D tour de force as you endlessly increase speed, collecting coins for money and greed and power-ups to save your life. Hitting any block or any enemy will cause you to explode and lose your life. Three lives gone and the only thing remaining of you will be a high score.

Features

- Three game modes (Normal, Hardcore, and Top Speed).
- 20 levels with branching paths.
- 20+ different Hyperships to pilot.
- 10 unique power-ups to help you along the way.
- Steam Leaderboard and Achievements.
- Unlimited speed... and fun!
